

## Enrichment programme 2018

|                      | Block  | 1 or 2 terms? | Cost | Description of the programme   |
|----------------------|--------|---------------|------|--|
| Act attack 3         | 3      | 2             |      | Are you a super star ready to shine? Act Attack is where the Drama fun is! We put together short performances, work on acting skills and building confidence. Bring on the Drama!  |
| Act attack 4         | 4      | 2             |      | Act Attack has grown so big that this year we will have two performing drama groups!   |
| Advertising          | 4      | 1             |      | Come along and explore the language and techniques of both static and moving advertisements..  |
| Art skills & drills  | 4      | 1             | \$5  | Explore a variety of artistic skills and improve your artistic abilities. Work towards producing masterpieces using a variety of techniques and medium.  |
| Bollywood            | 3      | 2             |      | Do you ENJOY dancing, are you inspired by the high energy music from Bollywood films then you belong to this group! BBI's Bollywood Dance group is focused on creating a stimulating environment for all students to enjoy. This enrichment programme is open to enthusiastic dancers (both boys and girls) with a can-do attitude!  |
| Book club            | 4      | 1             |      | Book lovers unite! If you love reading, love being read to, love discussing what you are reading, and would love extra time in our school library each week, this group is for you.  |
| Chess                | 3      | 1             |      | Chess ....What a Game!! Are you the next Kasparov? A grandmaster?Intermediate player needing tips on how to play. Or a beginner wanting to learn. You will be matched up in ability levels and if you're super good you can take on the computer....then meet your demise with Mr Hill.  |
| Coding for beginners | 4      | 2             |      | We will begin by tackling computer coding problems by slowly learning basic syntax from the Python programming language. What you will need in order to succeed in this enrichment programme: Great problem solving skills! Do not get frustrated easily. Know your way around a computer. Must be working at Maths Mate 4.1 or above, and enjoy maths. If you've worked with scratch before that would be great. (Not suitable for Y8 who did it in 2017) |
| Cook island drumming | 3      | 2             | \$20 | Term 2 will be making drums and drum accessories. For six sessions in Term 3 will be learning to play Cook Island drum with a professional tutor. By the end of it you will be good enough to perform at our performance night. No drumming experience necessary just a good attitude and willing to learn. Drummers from last year are encouraged to join.  |
| Courtball skills     | 4      | 1             |      | Do you enjoy sports that are played on a court like basketball? Do you want to improve your skills in these sports? If you answered yes then this is the group for you. Join us and improve old skills while learning new ones.  |
| Crafts               | 3 or 4 | 1             | \$10 | Are you looking for the opportunity to be artistic and creative? Enjoy learning a new craft every week or enhancing the skills you already have? Some of the crafts include card making, origami and making fondant decorations. (Not suitable to Y8 students who did it in 2017).   |
| Crossfit             | 3      | 1             |      | Looking to get fit fast? Crossfit is a high intensity fitness program incorporating elements from several sports and types of exercise. We do pull ups, push ups, squats, burpees, weightlifting, running plus more. Join crossfit to help you excel at your sport. You will even have the opportunity to create your own program and train others. Not for the faint hearted!   |
| Debating             | 3      | 1             |      | Do you love a good argument? Are you confident in speaking in front of others or do you want to step outside of your comfort zone? In this group you will learning how to write a valid argument, rebut others' arguments and deliver your debate effectively. And hopefully have a lot of fun!  |
| Director's cut       | 4      | 1             |      | Are you a great storyteller? This amazing enrichment opportunity will allow you to create and write your own script whilst learning all the important skills needed to develop strong characters and tell an engaging story! Once your script is prepared you can direct and manage the filming of it. Come and be the scriptwriter/director of your own film!   |
| Drawing/Sketching    | 3 or 4 | 1             |      | Anyone can sketch and draw but good sketching and drawing require skills and years of practice. If you have the patience and willingness to learn the basics properly and put the necessary effort and time into mastering the basics, please apply!   |
| Easy Eats (Y8 only)  | 3      | 1             |      | Want some more time in the Cooking room? East eats is for you! From chocolate brownie to mini pizzas, we will improve our masterchef abilities! This will develop your knowledge of basic recipes that you can cook at home!   |

|                                   |        |   |                |   |
|-----------------------------------|--------|---|----------------|---|
| Envirokids                        | 4      | 2 |                | Our environment is amazing! It includes everything from water to waste, energy, animals, birds & insects, eco buildings, our plants, natural spaces like forest and beaches and the effects humans (us) have on them...We will be doing fun, practical activities in our own backyard environment of BBI which will lead to you doing an action "passion" project of your interest. Showing how you can be a kaitiaki (guardian) of nature. If we don't have a healthy environment, we cannot have a healthy life! This is for students who can plan, use their initiative and want to make a difference :) |
| Film Club                         | 3      | 2 |                | Do you know how to use imovie? Do you like producing videos/movies? Do you like being creative? Are you good at working together with other people? If you said yes to those questions than this enrichment programme is for you.   |
| Garden gnomes                     | 3      | 2 |                | Are you curious about how to grow your own veggies, herbs, fruit or flowers? Come and spend some time in our large veggie garden and orchard. You will learn all the skills you need to grow - from seeds to picking the results! It may even inspire you to start your own at home. Gloves are provided, no experience necessary but bring your enthusiasm and interest. You will also join the "compost crew" for term 2-4 delivering BBI's food waste to the compost once a week, earning a green service star for your rangatiratanga and commitment.   |
| Garden to plate cooking (Y8 only) | 4      | 1 |                | Want an extra block in the food & nutrition room? Come along and create some delicious dishes using produce from our school garden - choc-mint slice, cheesy cob loaves, fantastic fritters, and many more.... Lots of yummy recipes with hidden healthiness!!!   |
| German                            | 3      | 1 |                | Guten tag. This is a beginners language course where you will develop some basic conversational skills and cultural awareness. No German experience needed, just come with enthusiasm and a can-do attitude! (Not suitable for Y8s who did it in 2017)  |
| Getting into Sport                | 3      | 2 |                | Do you like playing sport? Do you want the chance to improve your sports skills with like minded peers? Come and learn some new skills, put these skills into practice by playing games and make some new friends along the way! This group is for those who find sport a challenge (level 1-2 of the curriculum) and for those who want to help out other students with their sporting abilities.  |
| Glee (Choir)                      | 3      | 2 |                | Do you love to sing? Do you love to dance? Do you love to sing and dance? Do you love to perform? Then Glee maybe for you! To be part of Glee you need to be able to sing in tune, match pitch, identify harmonies and melodies as well as incorporating body movements to the beat.  |
| Golf                              | 3 or 4 | 1 | \$60           | Are you the next Lydia Ko or Danny Lee? If you have never tried golf - or even if you have - come along and learn some of the basic skills with the Director of Golf at Titirangi Golf Club. We will be going to the club for 6 out of the 9 enrichment sessions.   |
| Guitar                            | 3 or 4 | 2 | \$120 per term | This group is open to students wanting to learn the guitar with an outside experienced guitar tutor. Lessons will be an hour long and will go through till end of term 4. You will learn to play chords as well as picking. There will also be opportunities for you to perform as a group at the end of term performance evenings. Limited spaces - make sure you fill in an enrolment form from Mrs Shim!   |
| Hands on Challenges               | 4      | 1 |                | Using everyday materials such as newspaper, string and cello tape, find solutions to everyday as well as unusual problems through building and problem solving (bridges, towers and so much more!)  |
| Hip hop                           | 4      | 2 |                | Calling all hip hop dancers!! BBI Hip Hop dance group wants you!!!! Do you do, or have you done,, some form of hip hop or modern dance? As part of this group you will be learning a range of modern hip hop dance techniques and work towards choreographing routines for a number of performances and possibly competitions. If you're a hip hop enthusiast then this is definitely the group for you!!   |
| Hipster crafts                    | 3      | 1 | \$10           | Do you like incorporating nature into your art? Do you want to learn skills on how to upcycle things you thought was rubbish but can be turned into art? With these hippy arts and crafts we will be upcycling materials and making things from items found at home, op shops, nature and more! We will be creating art with nature to create beautiful jewellery, gifts and home decorations for all to enjoy!   |
| History                           | 3      | 1 |                | New Zealand history. New Zealand has a colourful and interesting history. From the first people to wars that have been fought to how New Zealand represents itself on a global stage. The only requirement is a positive attitude   |
| History of conflict               | 4      | 1 |                | Throughout history there has been struggle and injustice, but through the bravery and determination of many they have persevered, overcome and inspired.Come explore the history of our ANZACs, the origins of the Civil Rights movement in 1960's USA and the controversial, fatal and heroic moments of past Summer Olympics.   |
| Japanese                          | 3      | 1 |                | Konichiwa! This is a beginners language course where we will develop some basic conversational skills and cultural awareness. No Japanese experience needed, just come with enthusiasm and a can-do attitude!   |

|                                   |        |   |        |   |
|-----------------------------------|--------|---|--------|---|
| Kapa Haka                         | 4      | 2 |        | Do you enjoy learning about Maori culture, singing and dancing then maybe this is for you. Learn Waiata and tikanga along with Whaea Cath and Whaea Jade. Learn the art of Pukana, Haka and maybe even Poi.   |
| Kids Workout                      | 4      | 1 |        | You are serious about exercising but find it too hard to build a routine. Or you want to build core muscles but don't know where to start? Or you might just want to be more fit. If this sounds like you, Kids Workout might be for you. It's an aerobics class, set to music designed to take you through a variety of structured movements that work on all areas of your body, especially your core muscles. We welcome all fitness levels but you must come with the can-do attitude when learning to work your muscles and willingness to persevere when things get tough and you will reap the benefits. |
| Knitting                          | 3      | 1 | \$5.00 | Click Clack! Get your needle on! Join me on an exciting adventure into the world of knitting, and while we learn new skills, we'll make something for those special babies that are born too early ... no experience needed ... on the job training given! Every knitter will make something to donate.   |
| Know how, can do                  | 4      | 1 |        | Come and join Mr Carney and Mr Vincent for a range of hands on activities, from cooking, sport and confidence and team building   |
| Korean                            | 4      | 1 |        | Anyounghaseyo! In this class you will learn how to speak and write in Korean. You will also get to know the Korean culture and try out the traditional games and snacks! Absolute beginners with no prior knowledge are welcome (not suitable to Y8 who did it in 2017).  |
| Lego Dacta                        | 4      | 1 |        | Do you like building models? Imagining and creating an alternative world and imagining your dream house or batmobile and creating stories with your models. Got some legos at home? Want to meet others with the same passion to create? This group is for you.   |
| Let's dance!                      | 3      | 2 |        | Love to Dance? Spend your spare time watching music videos (old and new) and learning the dance moves of your favourite artists? Then this Enrichment programme is for you! We will be recreating music videos, with our own twist, from some of your favourite songs and dance stars!  |
| Mandarin                          | 4      | 1 |        | Are you interested in the Chinese language of Mandarin? Come and learn the basics and also learn about the fascinating Chinese culture and arts.  |
| Move & Groove                     | 4      | 2 |        | This fun moving group will help lead the Move & Groove activity in our fitness rotation. Students who are fit, love to dance around and enjoy leading on the stage in front of their whanau are welcome to apply to their classroom teachers. Limited number for each whanau.   |
| Natural disasters & Earth Science | 3      | 1 |        | Are you interested in knowing about some of NZs major natural disasters and how they have come to shape our country. We will be looking into some of the volcanic eruptions, earthquakes and major floods and learn a little bit about Earth Science and history along the way.   |
| Netball                           | 3      | 1 |        | Love playing netball! Come along! You will have the chance to learn new skills and strategies and play practice games. You don't have to already play netball! Everyone is welcome.   |
| NZ to World                       | 4      | 1 |        | From NZ history through to current events of the world. Learn the exciting background stories of the world around us. You'll be surprised how interesting our history is. Be prepared to share your own culture.  |
| Origami                           | 3      | 1 |        | Do you love getting crafty and learning new skills? This group will start at the classic crane and then develop further origami and papercraft skills. You must be able to follow instructions carefully and be precise in your folding.  |
| Pasifika beats                    | 4      | 2 |        | Do you enjoy performing Pacific dances in a group in front of an audience? Are you a fast learner, can sing as well, energetic and have rhythm? This group is for you.  |
| Photography                       | 3 or 4 | 1 |        | You will explore, play and experiment with a range of photographic techniques and ideas. You will also learn about some photographic history and be inspired by artists that use photography to help us see the world in a whole new way! Having your own camera is not a requirement- We will be using the camera on the ipads. (Not suitable for Y8 who did it in 2017)   |
| Rugby league                      | 3 or 4 | 1 |        | Develop your theory and practical skills of Rugby League, while working alongside kids of varying levels, in an encouraging team environment. If you enjoy a challenge then sign up, and get ready to do the hard yards on and off the field... while having lots of fun of course!   |
| Samoan                            | 3      | 1 |        | Talofa Lava. If you are interested in learning Basic Samoan Language, experience some of the cultural practices and enjoy some Samoan food, then come along and join this group (Not suitable to Y8 who did it in 2017)   |
| Science                           | 4      | 1 | \$10   | Practical,hands-on science experiments for students who love science, who love hypothesising, experimenting, observing and drawing conclusions.   |
| Set design                        | 3      | 2 |        | Do you ever go to a show or play and think 'I really want to learn how to create a set'. This is the enrichment for you! You will learn design specifics and how to create a exciting set for a play or show.   |

|                     |        |   |      |   |
|---------------------|--------|---|------|---|
| Shy vocals          | 4      | 1 |      | If you love to sing but don't want to perform, then this is for you!! We will be enjoying a variety of songs. The one thing you need is the willingness to sing!  |
| Soccer              | 4      | 1 |      | Do you want to extend your soccer skills and drills? Do you want to develop your soccer abilities. Then this enrichment programme is for you! If soccer is your favourite sport or if soccer is a sport you would like to give a go; than choose this programme.  |
| Soccer Boys Elite   | 4      | 2 |      | A group designed for club level soccer players. We will look into the theories and history of the beautiful game. We will hopefully train with top coaches and current All Whites. Each student will also experience some sport education where they will be required to plan and run a training session with the group. A great chance to improve all aspects of your game both on and off the field.                                  |
| Soft materials      | 4      | 2 |      | Are you a meticulous worker? Interested in using felt and fabric to create a coin purse, stuffed animal or coaster? We will be designing and making products from scratch. Experience of threading a needle is essential. (Not suitable for Y8 who did it in 2017)  |
| Spanish             | 3      | 1 |      | Hola! Have you ever wanted to learn spanish but haven't had the chance? Spanish is the second most widely spoken language in the world... it even beats English! Come learn some basic spanish and have fun!!! Ciao.  |
| Stompesque          | 4      | 2 |      | Do you have a habit of drumming on your desk in class? Do you start tapping out a rhythm on pots and pans when you are meant to be doing the dishes? In this group we will create music performances out of anything we can get our hands on - the world will be our instrument! If you are curious then have a look at some videos of the STOMP group on youtube - If that looks (and sounds) like fun then this is the group for you! |
| Team games/strategy | 3 or 4 | 1 |      | Team game and Strategy involves playing a range of different team games such as King Dodge, Flags and Longball. We will looking at the skills needed for the games and which strategies can help your team succeed. You do not need to be the best athlete you just need to get involved and enjoy yourself.  |
| The foodies         | 3 or 4 | 1 | \$20 | Want to impress your friends with your food decorating ability? Want to be able to whip up a snack without cooking? We will teach you how to prepare healthy and treat food to maximise its appeal. You of course will be able to eat the food that we create in the classroom!   |
| Trilogy of sport    | 4      | 1 |      | Do you enjoy being active and playing sports? Come along and improve your skills in Hockey, Tennis and Soccer! You will have the opportunity to learn and practice new techniques, and have some friendly competition. You don't need to already play these sports! Everyone is welcome.  |
| Ultimate Frisbee    | 4      | 1 |      | Do you want to increase your running, your skills to pivot, turn, throw and run while having fun playing a great team game? Frisbee is a game for all levels of skills and fitness. Come and become part of this cool modern sport.   |
| Ukulele             | 3      | 2 |      | Can you strum some chords, are you a picking maestro? Do you want to learn? Do you enjoy music and being a part of a team? Ukulele is for you!  |
| Volleyball          | 4      | 1 |      | Volleyball is a great sport that can be enjoyed by everyone and anyone. It can be played year round as it can be played both indoors and outdoors. Aside from the pure enjoyment of the game, volleyball has many benefits.   |
| Whakairo            | 4      | 1 | \$5  | Want an extra block in the design/hard materials room? Learn the skills and techniques of Maori carving. You will also make a Patu - an ancient Maori weapon to take home.  |
| Yarn bombing        | 4      | 1 | \$10 | Get your knitting needles ready! We are going to beautify the school by 'bombing' with yarn! Essential to have your own knitting needles but not essential to know how to knit!   |
| Yoga                | 3      | 1 | \$10 | Welcome all yoga enthusiasts! Yoga can help you stretch out those tight muscle tensions in your body, at the same time learning about different postures that help you strengthen and energise. We will also learn the importance of breathing and how it can help you cope in stressful environments! (You will need a yoga mat and there are mats available to purchase)  |
