

Enrichment Programme 2019

	Block	1 or 2 terms ?	Cost	Description of the programme
Action Sport	3 or 4	1		Do you enjoy being part of a team and playing games you have never played before? Are you creative enough to make up new games... and then teach them to others in the group? If so, this is the group for you!
Advertising	3	1		Come along and explore the language and techniques of both static and moving advertisements..
Bollywood	3	2		Do you ENJOY dancing, are you inspired by the high energy music from Bollywood films then you belong to this group! BBI's Bollywood Dance group is focused on creating a stimulating environment for all students to enjoy. This enrichment programme is open to enthusiastic dancers (both boys and girls) with a can-do attitude!
Book club	3	1		Book lovers unite! If you love reading, love being read to, love discussing what you are reading, and would love extra time in our school library each week, this group is for you.
Chess	3 or 4	1		Chess What a Game!! Are you the next Kasparov? A grandmaster? Intermediate player needing tips on how to play. Or a beginner wanting to learn. You will be matched up in ability levels and if you're super good you can take on the computer.... then meet your demise with Mr Hill.
Card Making	4	1	\$10	Valentines, Birthdays and anniversaries there is always a need for a card! Come along and learn some new techniques that will take your card making to the next level also included, origami, stamp making etc.
Coding for Beginners	3	1		Ever stared at your phone, Xbox, or Fitbit and actually wondered how your favourite apps or programs work? Are you good at giving clear and concise instructions that are easy to read and follow? Are you a resilient problem solver who learns from failure and keeps a positive attitude? If you answered yes to all three questions coding could be the enrichment for you. Coding for beginners is an introduction to the basic principles of coding and the Python programming language.
Coding Advanced	4	2		Ever stared at your phone, Xbox, or Fitbit and actually wondered how your favourite apps or programs work? Are you good at giving clear and concise instructions that are easy to read and follow? Are you a resilient problem solver who learns from failure and keeps a positive attitude? If you answered yes to all three questions coding could be the enrichment for you. Coding advanced will give you a comprehensive introduction to Python, and will challenge you with interesting problems.
Comic book Creators! (Cartooning)	4	1		Do you love to draw? Do you love to make up stories? Then this is the group for you! We will get inspired by exploring different comic book ideas and ideas with the ultimate goal of(drumroll).... publishing YOUR OWN unique comic book!! You DO NOT need to be an amazing drawer to be accepted - you just need to enjoy drawing! (some of the best comics are drawn in a very simple way - the real key to success is being able to create interesting characters and tell a good story!)
Contemporary Dance	4	2		Contemporary dance is a style of expressive dance that combines elements of several dance genres including modern, jazz, lyrical and classical ballet. Get ready to combine energies with other students and create incredible dances unlike any other.

Cook Island drumming & Playing	3	2	\$20	Term 2 will be making drums and drum accessories. For six sessions in Term 3 will be learning to play Cook Island drum with a professional tutor. By the end of it you will be good enough to perform at our performance night. No drumming experience necessary just a good attitude and willing to learn. Drummers from last year are encouraged to join.
Courtball skills	4	1		Do you enjoy sports that are played on a court like basketball? Do you want to improve your skills in these sports? If you answered yes, then this is the group for you. Join us and improve old skills while learning new ones.
Crafts	4	1	\$10	Are you looking for the opportunity to be artistic and creative? Enjoy learning a new craft every week or enhancing the skills you already have? Some of the crafts include card making, origami and making fondant decorations. (Not suitable to Y8 students who did it in 2018).
Crossfit	3	1		Want to improve your fitness? Want to have fun and learn new skills. Kids crossfit will help you improve your fitness, strength and agility through a mix of skills training and fitness workouts. Kids crossfit uses your own body weight to help train and build strength and fitness.
Debating	3	1		Do you love a good argument? Are you confident in speaking in front of others or do you want to step outside of your comfort zone? In this group you will learning how to write a valid argument, rebut others' arguments and deliver your debate effectively. And hopefully have a lot of fun!
Drawing/Sketching	3 or 4	1		Anyone can sketch and draw but good sketching and drawing require skills and years of practice. If you have the patience and willingness to learn the basics properly and put the necessary effort and time into mastering the basics, please apply!
Easy Eats	3 or 4	1	\$30	Want some more time in the Cooking room? East eats is for you! From chocolate brownie to mini pizzas, we will improve our MasterChef abilities! This will develop your knowledge of basic recipes that you can cook at home!
Envirokids	3	2		Our environment is amazing! It includes everything from water to waste, energy, animals, birds & insects, eco buildings, plants, natural spaces like forest and beaches and the effects humans (us) have on them... We will be doing fun, practical activities in our own backyard environment of BBI which will lead to you doing an action "passion" project of your interest around our wonderful Wai Tahurangi.. being outside and.... showing how you can be a kaitiaki (guardian) of nature. If we don't have a healthy environment, we cannot have a healthy life! This is for students who can plan, use their initiative and want to make a difference :) and maybe a trip to Tiri Tiri Matangi in term 4.
Film Club	3	2		Do you know how to use imovie? Do you like producing videos/movies? Do you like being creative? Are you good at working together with other people? If you said yes to those questions than this enrichment programme is for you.
French	3	1		Bonjour, this is a beginners course where you will learn some conversational skills, landmarks and customs of the French People
Garden Gnomes	4	2		Are you curious about how to grow your own veggies, herbs, fruit or flowers? Come and spend some time in our large veggie garden and orchard! You will learn all the skills you need to grow - from seeds to picking the results! It may even inspire you to start your own at home. Gloves are provided, no experience necessary but bring your enthusiasm and interest. You will also join the "compost crew" for term 2-4 delivering BBI's food waste to the compost once a week, earning a green service star for your rangatiratanga and commitment. Go Garden Gnomes!

German	3 or 4	1		Guten tag. This is a beginner language course where you will develop some basic conversational skills and cultural awareness. No German experience needed, just come with enthusiasm and a can-do attitude! (Not suitable for Y8s who did it in 2018)
Glee (Choir)	4	2		Do you love to sing? Do you love to dance? Do you love to sing and dance? Do you love to perform? Then Glee maybe for you! To be part of Glee you need to be able to sing in tune, match pitch, identify harmonies and melodies as well as incorporating body movements to the beat.
Golf	3 or 4	1	\$60	Are you the next Lydia Ko or Danny Lee? If you have never tried golf - or even if you have - come along and learn some of the basic skills with the Director of Golf at Titirangi Golf Club. We will be going to the club for 6 out of the 9 enrichment sessions.
Guitar	3 or 4	2	\$120 per term	This group is open to students wanting to learn the guitar with an outside experienced guitar tutor. Lessons will be an hour long and will go through till end of term 4. You will learn to play chords as well as picking. There will also be opportunities for you to perform as a group at the end of term performance evenings. Limited spaces - make sure you fill in an enrolment form from Mrs Isdale!
Hands on Challenges	4	1		Using everyday materials such as newspaper, string and cello tape, find solutions to everyday as well as unusual problems through building and problem solving (bridges, towers and so much more!)
Healthy Bodies, Healthy Minds	4	1		Carrying on from Hauora, we will look at healthy alternatives to improve our health and busy lifestyle.
Hippy Crafts	3	1	\$10	Be ready to create wonderful crafts from nature. We will be upcycling most of our crafts, creating dream catchers, terrariums, paper, mermaid crowns and much more. (Not suitable for Y8 who did it in 2018)
History of Conflict	4	1		Throughout history there has been struggle and injustice, but through the bravery and determination of many they have persevered, overcome and inspired. Come explore the history of our ANZACs, the origins of the Civil Rights movement in 1960's USA and the controversial, fatal and heroic moments of past Summer Olympics.
Hockey	3 or 4	1		Want to enjoy our BRAND NEW school turf? No experience needed, come along and learn some essential hockey skills to use in our games! If you are selected for this enrichment you will need to have shin pads and a mouth guard!
Japanese	3 or 4	1		Konichiwa! This is a beginner language course where we will develop some basic conversational skills and cultural awareness. No Japanese experience needed, just come with enthusiasm and a can-do attitude! If you're attending the Japan trip in term 3, it is recommended that you choose this enrichment!
Japanese Drum Making and playing	4	1		Taiko Japanese drumming is world famous. You will make drums from recycle material and learn how to play Japanese style and beats. You will be able to take home the drums when you have finished. Ps These drums will be far too big to fit in your bag.
Kapa Haka	3	2		Do you enjoy learning about Maori culture, singing and dancing then maybe this is for you? Learn Waiata and tikanga along with Whaea Cath. Learn the art of Pukana, Haka and maybe even Poi.
Knitting	3	1	\$5	Click Clack! Get your needle on! Join me on an exciting adventure into the world of knitting, and while we learn new skills, we'll make something for those special babies that are born too early ... no experience needed ... on the job training given! Every knitter will make something to donate.

Know How, Can Do	4	1		Come and join Mr Carney and Mr Vincent for a range of hands on activities, from cooking, sport and confidence and team building
Lego Dacta	3	1		Do you like building models? Imagining and creating an alternative world and imagining your dream house or batmobile and creating stories with your models. Got some legos at home? Want to meet others with the same passion to create? This group is for you.
Librarians	4	2		This enrichment is compulsory for all Student Librarians. You will continue to learn about our Library and develop your skills as a Librarian. You will also be involved in selecting books, and have an opportunity to visit other libraries to see how they are run.
Mandarin	3 or 4	1		Are you interested in the Chinese language of Mandarin? Come and learn some everyday greetings as well as the fascinating Chinese culture and arts! Not suitable for those who already speaks Mandarin.
Mathex	3	1		Are you interested in mathematics as a subject, do you like to immerse yourself in rich problems which you just can't stop pondering? As well as offering deep mathematical questions and investigations to hone your thinking skills, this enrichment also gives you the opportunity to try out for the year 7 and 8 school Mathex team.
Mindfulness	4	3 or 4		Do you hate exercise? Do you love junk food? Are you a worrier? Do you sometimes get anxious? Do you stress out? Do you want to learn more about your wairuatanga? Or do you just want to hang out with the coolest teachers at BHBI? If you answered yes to any of the above then mindfulness is the enrichment for you.
Move & Groove	4	2		This fun moving group will help lead the Move & Groove activity in our fitness rotation. Students who are fit, love to dance around and enjoy leading on the stage in front of their whanau are welcome to apply to their classroom teachers. Limited number for each whanau.
Netball	3 or 4	1		Love playing netball! Come along! You will have the chance to learn new skills and strategies and play practice games. You don't have to already play netball! Everyone is welcome.
NZ History	4	1		New Zealand history. New Zealand has a colourful and interesting history. From the first people to wars that have been fought to how New Zealand represents itself on a global stage. The only requirement is a positive attitude
NZ to World	3	1		From Maori/NZ history through to current events of the world. Learn the exciting background stories of the world around us. You'll be surprised how interesting our history is. Be prepared to share your own culture.
Origami	3	1		Do you love getting crafty and learning new skills? This group will start at the classic crane and then develop further origami and papercraft skills. You must be able to follow instructions carefully and be precise in your folding.
Pasifika beats	4	2		Do you enjoy performing Pacific dances in a group in front of an audience? Are you a fast learner, can sing as well, energetic and have rhythm? This group is for you.

Photography	3 or 4	1		You will explore, play and experiment with a range of photographic techniques and ideas. You will also learn about some photographic history and be inspired by artists that use photography to help us see the world in a whole new way! Having your own camera is not a requirement- We will be using the camera on the ipads. (Not suitable for Y8 who did it in 2018)
Rongoa Maori	3	1		Learn about the customs and protocols that surrounds rongoā as you develop an understanding of the Māori world view. Be a part of the revival of traditional and contemporary rongoā practices in Aotearoa, and gain insight and understanding to know, appreciate, and respect rongoā the relationship and differences between rongoā and hauora, Tikanga and te reo associated with harvesting rongoā
Samoaan	3	1		Talofa Lava. If you are interested in learning Basic Samoan Language, experience some of the cultural practices and enjoy some Samoan food, then come along and join this group (Not suitable to Y8 who did it in 2018)
Science	3	1	\$10	Practical,hands-on science experiments for students who love science, who love hypothesising, experimenting, observing and drawing conclusions.
Shy Vocals	4	1		If you love to sing but don't want to perform, then this is for you!! We will be enjoying a variety of songs. The one thing you need is the willingness to sing!
Soccer	3 or 4	1		Do you want to extend your soccer skills and drills? Do you want to develop your soccer abilities? Then this enrichment programme is for you! If soccer is your favourite sport or if soccer is a sport you would like to give a go; then choose this programme.
Soccer Boys Elite	3	2		A group designed for club level soccer players. We will look into the theories and history of the beautiful game. We will hopefully train with top coaches and current All Whites. Each student will also experience some sport education where they will be required to plan and run a training session with the group. A great chance to improve all aspects of your game both on and off the field.
Softball	3 or 4	1		Softball.... such a fun, fast game! If you're keen to learn some new skills or develop your softball skills, come along and learn the game! Pitching, Catching and striking... loads of fun for all skill levels
Soft materials	4	2	\$10	Are you a meticulous worker? Interested in using felt and fabric to create a coin purse, pencil case, stuffed animal or let your creativity decide? We will be designing and making products from scratch. Experience of threading a needle is essential.
Spanish	4	1		Hola! Have you ever wanted to learn spanish but haven't had the chance? Spanish is the second most widely spoken language in the world... it even beats English! Come learn some basic spanish and have fun!!! Ciao.
Team games/strategy	3 or 4	1		Team game and Strategy involves playing a range of different team games such as King Dodge, Flags and Longball. We will be looking at the skills needed for the games and which strategies can help your team succeed. You do not need to be the best athlete you just need to get involved and enjoy yourself.
The Foodies	3 or 4	1	\$20	Want to impress your friends with your food decorating ability? Want to be able to whip up a snack without cooking? We will teach you how to prepare healthy and treat food to maximise its appeal. You of course will be able to eat the food that we create in the classroom!
Trilogy of sport	4	1		Do you enjoy being active and playing sports? Come along and improve your skills in Hockey, Tennis and Soccer! You will have the opportunity to learn and practice new technique and have some friendly competition. You don't need to already play these sports! Everyone is welcome.

Ukulele	3	2		Can you strum some chords, are you a picking maestro? Do you want to learn? Do you enjoy music and being a part of a team? Ukulele is for you!
Volleyball	3 or 4	1		Volleyball is a great sport that can be enjoyed by everyone and anyone. It can be played year round as it can be played both indoors and outdoors. Aside from the pure enjoyment of the game, volleyball has many benefits.
Whakairo	4	1		Want an extra block in the design/hard materials room? Learn the skills and techniques of Maori carving. You will also make a Patu - an ancient Maori weapon to take home.
Yoga	3	1	\$10	Welcome all yoga enthusiasts! Yoga can help you stretch out those tight muscle tensions in your body, at the same time learning about different postures that help you strengthen and energise. We will also learn the importance of breathing and how it can help you cope in stressful environments! (You will need a yoga mat and there are mats available to purchase)
