Procedures for surrender and retention of property and searches Blockhouse Bay Intermediate School`

Search, seize and retain Guidelines are issued under section 139AAI of the Education Act 1989. The Blockhouse Bay Intermediate School Board agrees refer to and follow the Ministry of Education guidelines (2014).

Often the circumstances will be straight-forward and responses will be routine, but there will be occasions when the best course of action is not obvious. These guidelines fall under health and safety and a summary Flow chart is attached for general information. BHBI School delegates the authority to the Principal (and in his absence, the associate/ deputy principal's). Delegation will be provided by the Board in any other instance.
