

Enrichment Programmes 2021

	1 or 2 terms?	Cost	Description of the programme
Act Attack	1		Are you a superstar ready to shine? Act Attack is where the Drama fun is! We will focus on acting skills and creating stories in groups without the stress of performing. This is about building confidence and having a go. Bring on the Drama!
Basketball	1		"5...4...3...2...1... Bryant at the buzzer! What a shot to put them up by one! Want to be the next Kobe Bryant? The game of basketball needs YOU! Come along for drills, minigames and scrimmages to become the next basketball superstar!
Book club	1		Book lovers unite! If you love reading, love being read to, love discussing what you are reading, and would love extra time in our school library each week, this group is for you.
Calligraphy	1		Calligraphy is an ancient art but still has a modern, fresh feel. Calligraphy combines beautiful language with equally beautiful design. You're really only limited by your imagination on what we can create together. We will use a variety of font styles, inks, paints and paper.
Chess	1		ChessWhat a Game!! Are you the next Kasparov? A grandmaster? Intermediate players needing tips on how to play. Or a beginner wanting to learn. You will be matched up in ability levels and if you're super good you can take on the computer....then meet your demise with Mr Hill.
Coding	2		Ever stared at your phone, Xbox, or Fitbit and actually wondered how your favourite apps or programs work? Are you good at giving clear and concise instructions that are easy to read and follow? Are you a resilient problem solver who learns from failure and keeps a positive attitude? If you answered yes to all three questions coding could be the enrichment for you. Coding is an introduction to the basic principles of coding and the Python programming language.
Comic Book Creators	1		Do you love to draw? Do you love to make up stories? Then this is the group for you! We will get inspired by exploring different comic book ideas and ideas with the ultimate goal of(drumroll).... publishing YOUR OWN unique comic book!! You DO NOT need to be an amazing drawer to be accepted - you just need to enjoy drawing! (some of the best comics are drawn in a very simple way - the real key to success is being able to create interesting characters and tell a good story!)
Cook Island Drumming	1		Learn the beats of Cook Island drumming. It is easy to learn and play and in no time you will sound like a pro. You don't need drumming experience. There may be the opportunity to do a performance if you are confident enough.
Crafts	1	\$10	Do you enjoy doing hands-on activities and being creative? In crafts, you'll learn how to make fun, beautiful and/or practical things that you can use, play with, gift to your friends and family, or decorate your room with.
Cross Stitch	1	\$15	If you love intricate crafts that require time and patience but have a rewarding and satisfying outcome! Then cross stitch might be for you! Join cross stitch to learn the basics of cross stitching and work on creating your own piece of embroidery.
Debating	1		Do you love a good argument? Are you confident in speaking in front of others or do you want to step outside of your comfort zone? In this group you will learn how to write a valid argument, rebut others' arguments and deliver your debate effectively. And hopefully have a lot of fun!
Drawing & Sketching	1		If your teacher is always growling at you for drawing when you should be working and you are the kid that asks "can we do SSD?" during SSR then this group is for you. You will learn basic skills and improve in all areas. Plus you get to choose what you want to learn to draw.
Easy Eats	1	\$30	YEAR 8 ONLY!! Want some more time in the Cooking room? Easy eats is for you! From chocolate brownies to mini pizzas, we will improve our masterchef abilities! This will develop your knowledge of basic recipes that you can cook at home!
Film Club	2		Do you know how to use imovie? Do you like producing videos? Do you like being creative? Are you good at working together with other

			people? If you said yes to all these questions then this might be the enrichment for you!
Football Development	1		There is no such thing as the complete footballer. No one has ever achieved this. So you always need to build your skill set. In this program we will play games and go over fundamental skills. I want to really focus on NON club players and really give you a chance to come out and no doubt learn from the best (Mr Carney).
Golf	1	\$70	Are you the next Lydia Ko or Danny Lee? If you have never tried golf - or even if you have - come along and learn some of the basic skills with the Director of Golf at Titirangi Golf Club. We will be going to the club each Day 4 during Term 2
Harry Potter Club	1		Take your place in the magical universe of Harry Potter when you join the BBI Official Harry Potter club. Whether you are a fan of the movies or the books, you will learn even more about JK Rowling's mystical wizarding world. Come along to discover your Hogwarts House, wand features, patronus, create your own potion bottle and more!
History of Conflict			All over the world there have been various conflicts, World wars and uprising. History of conflict will look at different conflicts throughout the world and throughout history and look at how they started and how they relate to each other. We will look at events such as The NZ wars, World War 1 & 2 and other major events which have happened throughout recent history.
Japanese	1		Konnichiwa, this is a beginners language course where we will develop some basic conversational skills and cultural awareness. No Japanese experience needed, just come with enthusiasm and a great attitude. Ganbatte kudasai!
Kapa Haka/Tikanga	1		Do you enjoy learning about Māori culture, singing and dancing then maybe this is for you. Learn waiata and tikanga along with Whaea Parris. Learn the art of Pukana, Haka and maybe even Poi. We will also be learning about Maori traditions such as Rongoa - Māori Medicine.
Kite Making	1		Learn about aeronautics and how things fly, you will learn the art of making an awesome kite from scratch with wood and other materials.
Knitting	1	\$10	Knit one, purl one, knit one, slip one. Knitting is making a global comeback! Come along and learn the basic skills of this amazing handcraft.
Lego Dacta	1		Do you like building models? Understanding how machines work and fit together? Want to meet others with the same passion to create? This group is for you.
Mad Scientists!	1	\$10	Practical, hands-on science experiments for students who love science, who love hypothesising, experimenting, observing and drawing conclusions.
Mandarin	1		你好! Do you want to expand your knowledge and learn a new language? Do you want to learn to write Chinese characters? Then this Enrichment for you! Come and learn basic conversational skills plus immerse yourself in the Chinese culture and arts.
Mosaics	1	\$15	Get your messy on with Mosaics! We will smash tiles, learn how to grout and create interesting pieces of work. No prior mosaic experience necessary, just a happy, fun, can-do attitude! Woohoo!
Move n Groove	2		This fun moving group will help lead the Move & Groove activity in our fitness rotation. Students who are fit, love to dance around and enjoy leading on the stage in front of their whanau are welcome to apply to their classroom teachers. Limited number for each whanau.
Music Jams	1		Do you play an instrument? Do you love to make music with other musicians? Then Music Jams is for you. In music jams we will create our own small bands and prepare pieces to play together. Must have played a musical instrument for over one year. Singers also welcome and needed!
New Zealand Sign Language (NZSL)			Did you know that New Zealand has a THIRD national language? Come and learn New Zealand Sign Language! You'll learn about deaf culture in New Zealand, and of course all the basics to have a conversation in sign. Loads of fun to be had and a fantastic skill to have!

Origami	1		Do you love getting crafty and learning new skills? This group will start at the classic crane and then develop further origami and papercraft skills. You must be able to follow instructions carefully and be precise in your folding.
Pasefika Soul	1		Art, music, food, culture, laughter = the soul of the Pacific. Anyone who wants a bit of Pasefika Soul is welcome. This is a unique opportunity for a unique group of people. I think you're one of them.
Photography	1		You will explore, play and experiment with a range of photographic techniques and ideas. You will also learn about some photographic history and be inspired by artists that use photography to help us see the world in a whole new way! Having your own camera is not a requirement- We will be using the camera on the ipads. (Not suitable for Y8 who did it in 2019)
Samoan	1		Talofa Lava. If you are interested in learning Basic Samoan Language, experience some of the cultural practices and enjoy some Samoan food, then come along and join this group.
Scratch	1		Are you interested in learning how to create your own animation or game through Scratch? You will learn to use code to create, move and talk through a character you choose in either an animation or game. I want creative thinkers, hard workers and those wanting to explore the world of scratch. All Welcome.
Sports, Games & Play	1		Is PE your favourite subject? Are you breezy with what sport/game you play, as long as you get to play? If you answered yes, then this enrichment is for you. Come play some sports and games!
Team games & Strategy	1		Team games and Strategy involves playing a range of different team games such as King Dodge, Flags and Longball. We will look at the skills needed for the games and which strategies can help your team succeed. You do not need to be the best athlete you just need to get involved and enjoy yourself.
The Foodies	1	\$20	Want to impress your friends with your food decorating ability? Want to be able to whip up a snack without cooking? We will teach you how to prepare healthy and treat food to maximise its appeal. You of course will be able to eat the food that we create in the classroom!
Ukulele	2		Do you enjoy music and being a part of a team? Have you always wanted to learn an instrument but not sure where to start? Ukulele is one of the easiest instruments to learn and if you join this group, you'll be strumming away to your favourite songs in no time!
