As 2021 draws to a close I would like to thank both our staff and the Board of Trustees for the commitment they have shown to the education of your children during these difficult times. Our school is very lucky to have such professional teachers who set high standards for both themselves and their students!

Year 8 Graduation and Prizegiving

Year 8 students who are on site next week (Girls - Monday and Boys - Tuesday) will receive their Graduation certificate from their teacher. On Thursday 16th December, Graduation Certificates can be collected from the School Office between 9.30am and 2.30pm. Please ensure you follow all social distancing measures (wear a mask, scan the QR code and maintain a 2m distance from others) if you are coming on site.

We are planning something special for Prizegiving for next Monday and Tuesday however it has to be within the school context. We have to maintain the current social distancing rules and school bubbles which means unfortunately parents and whanau will not be able to attend.

★★★★★ Google Review

Great local agent and very professional team.

I met with sales agent Shubhrita to discuss and plan the sale of my house in Blockhouse Bay. Shubhrita's expertise made her time available and listened to what my plans were.

I took the agency Shubhrita displayed to put everything together to make the sale of my house. Shubhrita kept me informed of local sales in the area and could get an understanding of the local market. I was invited to several auctions to see how RayWhite operated and I was very impressed.
