Wheelers eBooks and Audiobooks are available to students who attended BBI in 2023. You can read eBooks or listen to Audiobooks via **Desktop browsers** eg. Chrome, Safari or IE (this is the best option for Chromebooks) or **Mobile Apps** eg. IOS and Android (this is the best option for phones, tablets or iPads).

APPS - The quickest and easiest way to borrow and read eBooks or Audiobooks is through the ePlatform app. Students can read their favourite book at any time (even offline) on their iPad, Android phone, Windows tablet or other tablet/mobile phone device - without downloading any additional software.

ACCESS - You can access your eLibrary via Desktop browsers, Mobile Apps, or our school library OPAC

FINDING YOUR LIBRARY - Once you have installed the ePlatform app onto your device, the first step is to find your library. You will be prompted to "Find your Library" or if you look in the Home screen menu you will see you can add a library from there as well.

> **We have two libraries:**
> Blockhouse Bay Intermediate (Junior) - Audiobooks and eBooks
> Blockhouse Bay Intermediate (Senior) - eBooks only
>
> **Your login:**
> Your username is : your 4 digit library code (e.g 3141)
> Your password is : Library1

LOOKING FOR A BOOK IN YOUR LIBRARY - To find a book in your eLibrary there are many options. You can :
- ❏ Browse eBooks and Audiobooks by clicking on the **"Browse"** icon at the bottom of your screen
- ❏ Look for a specific book via the **search field**
- ❏ Use the **"advanced search"** function to look for books via title, ISBN, author or publisher

BORROW AND EBOOK OR AUDIOBOOK - Every title you see displayed is in your eLibrary, most titles should be available for you to borrow, however some will be "greyed" out and thus have already been borrowed by someone else.

- ● To borrow an eBook or Audiobook, just click on the book you want to loan in your eLibrary and click **"borrow"**

RETURN AN EBOOK OR AUDIOBOOK - If you want to return an eBook or Audiobook before it is due, simply go to "My Loans" and click **"return".** If your loan period is expired (after two weeks), the book will be returned to the Library, so you don't need to worry about it being overdue.
